Job Opening – Seasonal Mosquito Control Technician 2

(4 Seasonal Opportunities in total – 2 openings in April and 2 openings in May)

Position:  Seasonal Mosquito Control Technician 2  Wage: $15.00 - $20.00 per hour DOE

Hours:  Monday thru Friday 8:00am - 4:30pm  Benefits:  paid District Holidays

Dates:  April/May thru October/November (Season length varies)

Definition:

Seasonal employees, under direct supervision, carry out routine inspections of residences in areas known to have the *Aedes aegypti* mosquito.

Minimum Qualifications:

- High School Graduate
- 18 Years of age or over
- Possession of a valid California driver’s license; must be insurable by the District’s automobile liability insurance program and must maintain a valid driver’s license and insurability throughout employment at the District.
- Preference will be given to those currently holding California Department of Public Health Vector Control Technician A,B certifications
- Ability to pass a pre-employment background check and drug test, as well as a physical ability test.

Position Description:

Seasonal employees work under direction of the Field Operations Supervisor, or Vector Control Technicians. Most work will be in the field, entailing inspection on private properties.

Other duties may include: the inspection of catch basins, creeks, drains, salt marsh areas, and miscellaneous sources; the stocking of mosquito fish in ponds and natural waterways; a variety of equipment functions and station maintenance; preparation of materials and equipment for work assignments; routine service requests; clearing access ways; some drainage maintenance; and light facility maintenance. Seasonal employees may operate a right-hand drive vehicle.
Compensation and Benefits:

The salary range for this position is $15.00 - $20.00 per hour. Salary will be determined at the time of hiring. Seasonal employees do not receive medical or other employee benefits; however they are entitled to paid District holidays. Workers compensation is also provided and employees are protected under the Workers Compensation Laws of California.
