Optional Legislative Training Session

We will again have a special session for attendees to provide training on the purpose and strategy of meeting with your legislators. By providing this training, we seek to increase the comfort level for attendees and possibly provide new insights to those that have attended legislative day in the past. MVCAC advocates and PR experts will explain the do's and don'ts of legislative meetings and an overview of messaging and talking points. This training is optional but highly recommend. The session will be held the day before the Legislative Day at the Capitol Events Center. If you are interested in attending, please check the box next to your name.

ONLY CHECK THE BOX IF YOU ARE PLANNING ON ATTENDING THE TRAINING.
