Karen Larsen, Deputy Director  
Division of Water Quality  
c/o NPDES Wastewater Unit  
State Water Resources Control Board  
1001 I Street, 15th Floor  
Sacramento, CA 95814

**MVCAC NPDES Permit Coalition's 2017 Annual Report**

Dear Ms. Larsen,

On behalf of the Mosquito and Vector Control Association of California (MVCAC) National Pollutant Discharge Elimination System (NPDES) Permit Coalition, please find attached the 2017 Annual Report for the Statewide NPDES Permit for Biological and Residual Pesticide Discharges to Waters of the United States from Vector Control Applications (Water Quality Order 2016-0039-DWQ) for your review.

Yours sincerely,

Elizabeth Nielsen, PE  
Senior Engineer, Water Resources  
AECOM
