

Application for the MVCAC

AGENCY SPOTLIGHT

Does your agency have a success story, a staff member you would like to publicly recognize, or an innovation by your agency that you would like to highlight? “Agency Spotlight” on the MVCAC website is one way to share your story! Each submission which meets the specified criteria will be reviewed and posted on the MVCAC website on the Agency Spotlight page and highlighted on the homepage in the rotating feature box. Each story will remain posted for 1-2 months before being moved to a publicly archived page. Interested? Here’s what you need to do:

1. Be an Agency in good standing
